Tailgating is permitted in Lot 7 four (4) hours prior to the start of the game. Those fans wishing to tailgate are asked to turn to the right upon entering campus and will be directed into the lot by Public Safety and/or event staff. Please note that for guest safety there is only one designated entry and one exit to the lot.

Individuals participating in tailgating activities at the University of Massachusetts Dartmouth are expected to conduct themselves in a manner respectful of the nature and character of the University; including, following the directives of event staff and public safety officials. Persons acting in a disruptive, disrespectful or disorderly manner will not be allowed into the area, may be asked to leave the premises or be subject to arrest or citation. Students may also be charged with a violation of the Student Code of Conduct. Fans still present in the parking lot at the start of the game will be asked to make their way over to Athletics or leave the tailgate area.

Vehicles and associated tailgating activities may only occupy a designated 20’x20’ space (the equivalent of 2.5 parking spots). Saving parking spots will not be allowed. All tailgating is confined to the area of your parking space up to the blue line in the aisle. The area between the blue lines is for emergency vehicle access.

ALCOHOL/DRAW POLICY
University regulations and state laws on drug and alcohol consumption will be enforced. UMass Dartmouth students are also subject to on-campus rules and regulations associated with these legal violations. Please see the Code of Student Conduct for more information. According to NCAA regulations, alcohol is not permitted inside Cressy Field or at any athletic event.

All beverages must be consumed from non-glass containers. Any person 21 years or older who would like to consume alcohol must first show a valid form of identification at the ID stand located within the tailgate area. After doing so, the individual will have a wristband placed on his/her wrist and be given a game day specific cup. Any alcohol must be consumed out of the cup provided. Kegs, beer balls, or other large-quantity containers are prohibited. Drinking games (including the simulation of drinking games) or other activities involving rapid and/or excessive alcohol consumption are not allowed. Guests who drink alcoholic beverages are asked to drink and act responsibly. Public Safety Officers reserve the right to ID campus guests, students, and football patrons with alcohol containers at any time.

Please be aware that UMass Dartmouth is a tobacco free campus.

Propane and charcoal grills are allowed when used solely for food preparation purposes. Burned coals and/or residue from cooking are not permitted to make contact with the paved surface of the parking lot or grassy areas. Open flame fires, including fire pits, are prohibited. For your convenience, we have included five (5) communal charcoal grills that can be used for cooking purposes. Grills are designated by food type (beef, chicken, pork, seafood, and vegetarian). You are asked to bring your own grilling utensils.

Please be sure to clean up your tailgate area and respect the fans around you. Trash, recycling bins and hot coal disposal containers will be available in various locations throughout the lot.
