FROSH BIG THREE CHAMPS

You will recall from the previous Newsletter that our Freshmen Track Team started the indoor season slowly but continued a steady and sure improvement. Indoors we beat Penn, Brown, Columbia, Dartmouth, Holy Cross and Central Connecticut being swamped by Harvard and losing to Cornell for a 6 and 2 record.

Continuing to gain momentum outdoors our progress was temporarily stalled by the West Point Piebes. In this defeat Army won 10 events to our eight but most of our wins were equivalent to or better than the varsity counterparts.

Usual powerhouse Rutgers and St. John's were bested in a close and long contest on April 9th at cold and wind-swept New Brunswick.

Princeton was easily overcome and a solid and impressive victory over Harvard frosh terminated a highly enthusiastic and determined season; the first Yale vs. Harvard frosh victory of recent memory and sweet revenge for the mid-winter bad beating.

Two frosh relays journeyed to the Queens-Iona relays to tangle with the best in the East and South, the likes of Morgan State, Maryland, Villanova, Georgetown, Jonathan Smith, N.Y.U., Fordham, St. John's and Manhattan.

The Mile Relay led all the way until a yard from the tape when we were beaten in the last step by a 46.4 anchor 440 by the former P.S.A.L. champion now at Jonathan Smith. Their time was 3:19.8, our 3:20.0 — the second best in Yale history. The team was made up of (1) Craig Foster (2) Chuck Hobbs (3) Larry Keider and (4) Steve Bittner. The first two legs were 51.2 and the last two 49.8.

A half hour later three of these and Bob Yahn went into the Distance Medley against the talented loaded Villanova and Georgetown Frosh (Keider 880-1:55.8; Foster 440-50.0; Yahn 1820-5:18.0 and Bittner Mile - 4:11.6). Bittner's splits were 56.8 — 2:02 — 3:04, making up sixty yards on Villanova's and Georgetown's star milers, taking the lead off the last turn and being taken by both in a photo finish and new relay record, under anything but ideal conditions.

Graduation takes key men Captain Cole, Jonathan Lieff and Joe Freeman and while we will miss them and their fine efforts it appears that the present frosh will offer a potential of 10 varsity members and 22 scoring places, far and away the most encouraging addition since the 1947 Frosh.

ARMY

On April 16 the Cadets of Army came to New Haven to wage war with the Elis and returned victories over both the Yale Varsity and Frosh. The Varsity succumbed 96 to 59 and the Frosh 91 to 65.

Sophomore Jim Moore was a double winner for the Blue, taking both Hurdles in his best ever competitive performances. Mark Young won the 440 in his season’s best of 48.8 and Yale won the closing Mile Relay. In the Field, Al Evans won the High Jump at 6’2” and Bob Greenlee upset the purported West Point strength in the Shot Put with a toss of 53’5”.

Two other best of life performances were recorded in second place efforts. Leighton Longhi spun the Discus out 150’11” and Tom Harmon threw the Javelin 196’8”.

In the Freshman action, Calvin Hill set a new Frosh school record in the Triple Jump and came within 4 inches of the varsity standard. Steve Bittner again annexed the Mile and 889 and anchored a winning Yale Relay team while other fine performances were turned in by Frank Shorter in the Two-Mile of 9:40.2. Larry Krider second in the 880 at 1:56.5 and Craig Foster, second in the 440 at 50.2 and who also ran the 220 and then back to back legs on the 440 and Mile Relays for yeoman duty in one afternoon.

PRINCETON

On the last day of April the Princeton Tigers came to town and defeated the Yale Bulldogs. The Varsity bowed 70 to 84 while the Freshman were romping over the little Nassau men, 108 to 45.

Two sophomore runners came through for double wins as Jim Moore duplicated his Army meet feat of taking both Hurdles and Mark Young won the 440 and 220, along with running the winning anchor leg of the Mile Relay. Rich Robinson won the 100, was second in the 220 and anchored the winning 440 Relay team to the only new meet record of the cold and rainy afternoon.

Bob Greenlee tossed the shot out further than he ever had done before, 3rd best in Yale history, 55’2” and Joe Freeman won the Hammer with a 185’9” throw for the only other Eli victories.

In the Frosh division, Yale won every running race and the two relays except the Hurdles. Steve Bittner was again a triple winner and Chuck Hobbs took the 220 and 440. The Bulldogs won 6 of the 8 field events, as Paul Priebes won both the Long and Triple Jumps.

Calvin Hill withdrew from the meet having aggravated an ankle injury on his first long jump and was lost to the squad for the balance of the season.

PRINCETON — continued

Princeton's varsity victory marked their second win over Yale in three years and their fourth in twenty meetings. On the other hand it was only the fourth Yale Frosh win in the same period of time.

HARVARD

A much discouraged, injury-riddle Yale Varsity journeyed to Cambridge to meet what may have been the best all-around Harvard Varsity in history, a depressing climax to what may have been the poorest Yale outdoor season in history.

Bob Greenice, a sure winner in the Shot Put, was obligated to be best man to his brother at a wedding in Alabama. Paul Jones, our top Broad Jumper, was still unrecovered from his mononucleosis, and on the eve of the contest Mark Young, a sure winner in the 440, 220, and anchor leg on a very superior Mile Relay came down with mononucleosis and was lost to the squad for the remainder of the season. In our calculations this was the loss of five first places and twenty-five points. To make matters worse Henry Cole, our Captain who figured to win the 440 even without teammate Young, was hit with a severe cramp at the start.

Harvard was aware of our deficiencies but used all their best men on every occasion, as we might ourselves have done under the same circumstances. Two of their men in their second or third performances were injured against us and it appears that this may have cost them the Heptagonal Championship title on the follow-up Saturday. The total score was Harvard 119 to Yale's 35 and constituted a new time series high score but actually it was not quite such a difference in score as our win over them in 1949 when there were three fewer events.

In the 440 yard Relay we did not finish because our lead-off man pulled a hamstring.

HEPTAGONALS

Still suffering from the off-mentioned lack of talent, illness and injuries, we entered the climactic title meet for the second time in eighteen years not a serious contender for the throne.

Army was on fire and got top performances up and down the line to surprise defending and favored Harvard 73-6 to 66-1/2. Harvard’s fortunes were considerably diminished by the questionable condition of their defending champions Captain Tony Lynch in both hurdles and Andersen in 100 and 220. Andersen had cramped against us the previous Saturday and Lynch at the Penn Relays. Records broken were: Pardee’s (H) 6-11 high jump off our new Tartan approach; Endrikat’s (Princeton) 1:51.5 half mile; Paskie’s (Navy) 21.7 (turn) 220.

Record holders: Victor Frank 177-11-1/4

and Mile Relay 3:13.4 in 1962 were not seriously threatened.

For the eighth time and last three successive years Yale hosted the title meet at DeWitt Cuyler Field. Also for the first time the meet was held on Sunday due to the conflict on Saturday with the Selective Service Draft examination.

Under clear skies and ideal conditions before a goodly and appreciative audience the meet was an artistic success. Officiating was expert, in all areas, not an event went off a minute late and all agreed that it was the finest meet ever held in the East.

Paul Jones off his infirm bed for his first and only appearance this Spring had a credible 3:11-1/2 for a third place. Bob Greenlee (Captain elect of both Track and Football) was somewhat off form but salvaged a second place in the Shot. Randy Rall held third place in the high jump at 6’5”. Our only scorers in the running were two fifth place relays weakened by loss of Yeung and a brilliant second place by .1 of a second in the 440 by Captain Hank Cole. His almost dead heat (decided by photo) 47.7 was with Bruessel of Cornell who two weeks later ran off with the ICIA title by eight yards in 47.2.

L. TRACY SHEFFIELD

L. Tracy Sheffield, ’06, member of the Graduate Track Committee for over 20 years, died April 28, 1966.

At Yale he was a member of the track team and won his Major Y as a Freshman by establishing a new University record in the Long Jump of 24’8. He went to England in 1904 with the combined Yale-Harvard team and won the Long Jump against Oxford-Cambridge.

Tracy was born Oct. 26, 1888 in New York City, prepped at the Berkeley School in New York City and was a mining engineer major at Yale, winning honor standing as a Freshman.

He married Marie Chaney in 1909 and had one son who pre-deceased him. He is survived by his widow and 5 grandchildren.

He was President of the Sheffield Dentatrice Co. and the New England Collapsible Tube Company in New London from 1911 to 1965. He was active in civic organizations such as the Chamber of Commerce and was a member of Koper Kettle, Cloister and University Club while at Yale.

Our appearance here was token. Each year we find ourselves more and more in conflict with dates of final exams. Unlike past years it is not possible to postpone, anticipate or transfer important finals.

Action is underway to poll the 64 participating colleges for a new date. Two strong opinions are arguing for a week later and a possible Saturday — Sunday two day meet.

TARTAN EMERGENCY

LANDING STRIP

Going into the Princeton dual meet our slowly deteriorating grass, tepid jump runways and approaches reached a climax.

Our own men in the high jump had not been able to practice effectively for about a week previously. In the Army Plebe meet, outstanding Calvin Hill badly sprained his foot and ankle in his one and only Triple Jump effort of the year making 47 feet 5 inches close to a new Yale record, but landing heavily on the hard runway was lost to the team for the balance of the season.

In the Princeton dual meet both our men and Princeton’s high jumpers suffered disastrous falls. In leaving, the Princeton coaches graciously offered to roll up their Tartan high jump rug, and bring it up to New Haven where we were for the third consecutive year hosting the Heptagonal Meet. This would have temporarily solved the problem in that one area for one meet.

Gieg thought that it was a matter of "robiesse oblige" that we enjoy and offer facilities equal to the best especially since all other Yale facilities are most superior.

Athletic Director DeLaney Kiphuth authorized Gieg to call Minnesota Mining to explore delivery, installation and cost of covering all the run-ups with Tartan material. Jim and Gieg measured the areas, called St. Paul and to our considerable distress learned that if we could order within 24 hrs. it could be delivered and installed in time for the big meet for no more than $10.00. A sickening thought!!

DeLaney authorized Gieg to take the problem to Howie Phelan, Yale’s new Director of Operations, who listened carefully, entered some legitimate objections but fully agreed with the reasons advanced earlier in this column. The phone call was made, the material shipped and it arrived here on Friday before the meet. The coaches and all the groundsmen unloaded the non-stop truck taking all of the A.M. to do this. Then practically all of the squad foregoing practice and the groundsmen together put the material in place. It was a most gratifying experience to learn again that the University in its desire to insure the greatest protection to its students and to have the best would move so swiftly and to undertake such great an unbudgeted financial burden.

All coaches, competitors and spectators agreed that the operation of the meet was the best in history and although the Blue was not...

IC4A

Only Greenlee Robinson, Pugh and Rehasso were free to attend the IC4A and none of these scored. Six Heptagonal champions were also absent for the same reason as were very many Middle Atlantic, Metropolitan, and New England champions.

Maryland defending champion held off Villanova (whom they had dethroned in 1965) in a close struggle again.

Senior JOE FREEMAN was the 1966 winner of the Millett Award given to the team member who excels in sportsmanship, courage and inspiration. Joe was the team's leading scorer in the 35 Pound Weight and Hammer this season.
CAPTAIN-MANAGER ELECTIONS; AWARD WINNERS

Bob Greenlee, '67, a shot put specialist from Daytona Beach, Fla., will captain the Elis in both the indoor and outdoor campaigns next year. He succeeds Henry Cole of Oak Ridge, Tenn. Greenlee will be a captain for all seasons in 1966-67 since the 6-4, 245 pound athlete has already been chosen to lead Yale's 1966 football squad. A rugged defensive tackle on the gridiron in the fall, he put the shot 55 feet, two inches in the April 30 dual meet against Princeton for a career best and finished second to Army's Dan Seebart in the Heptagonal championship meet.

This year's winner of the Miletta Memorial Trophy, given annually to that Yale track team member who excels in sportsmanship, courage and inspiration, is Joe Freeman, '66, of Farmington. An outstanding weight man who ranks in the top ten among Yale's all-time best 35 pound weight men and hammer throwers was a strong point scorer in all dual and triangular meets this year. The 22-year old Ancient History major, who will teach in Turkey next year, had a top throw of 58 feet, seven inches for the 35 pound weight indoors and a best effort of 167 feet for the hammer throw outdoors.

Bill Mathers, '66, of Oyster Bay, L.I., N.Y., is the recipient of the Rollie Spitzer Memorial Trophy. The latter is given each year for outstanding distance running. Mathers, a twotime Yale varsity cross country captain, was a consistent point contributor as a two miler for the Elis this past spring and winter.

Three managerial appointments were also made for next year. John Williams, '68, of McLean, Va., will serve as outdoor track manager next spring. Samuel King, Jr., '69, of Honolulu, Hawaii, is the manager-elect of next winter's indoor track team while Robert Stults, '68, of Short Hills, N.J., will manage Yale's varsity cross country squad this fall.

ELI IN ORBIT

DAVE GRADY, 1967, goes over the bar for a new personal record in the Pole Vault against Army at Yale April 16th.

YALE TRACKMEN ABROAD

Last summer two Yale Trackmen competed overseas. Jay Luck, 1962 Captain and member of the 1964 Olympic Team, was a member of the United States team that competed in the Soviet Union, Germany and Great Britain.

Rich Robinson, 1968, was a member of the Macahiah Games Team for the United States, gaining 3rd place in the 100 Meters and was on the record setting 400 Meter Relay team. The world wide competition was held in Israel.

Field Coach Jim Terrill will lead an AAU Touring team to Norway, Sweden and Finland for 3 weeks this summer from July 25 to August 12.

TARTAN - continued

in its traditional place of prominence, we hosted the most artistic track and field show in the history of Eastern athletics. Oh yes! Pardee of Harvard posted a new Hep record of 6'11" off the take-off.
