CODE OF PROPER CONDUCT FOR HAMILTON COLLEGE OVERNIGHT VISIT

Hamilton College requires all students, student-athletes and campus visitors to respect the rights of others, obey the law and to refrain from provocative acts or to respond to such provocation. The College expects prospective student-athletes to conduct themselves in a similar manner while visiting Hamilton.

The personal conduct of its student-athletes significantly reflects upon the College and its athletics program. The involvement of prospective student-athletes in incidents contrary to this Code of Conduct may result in a decision by the College to deny admission to a prospective student-athlete.

PROSPECTIVE STUDENT-ATHLETE RESPONSIBILITIES:

1. The prospective student-athlete will refrain from the consumption of alcohol while on the overnight visit (even if 21 years of age). Any prospect under the age of 21 must follow all New York State laws in regards to alcohol consumption.

2. The prospect must stay with their host at all times. The prospect cannot go explore campus or visit friends on campus without their official host.

3. The prospect must spend the night in the room assigned to them for their official visit. They cannot change rooms or overnight plans unless approved by the Head Coach.

4. The prospect will inform the Head Coach if the host puts the prospect in an inappropriate environment or does not supervise the prospect.
