CALHOUN SUCCEEDS GIEGENGACK AS YALE TRACK COACH

COACHES’ CORNER

This time around this corner(s) will be plural or an “Ave atque Vale.” Gieg’s farewell and Lee’s hail!

Of a consequence, please indulge Gieg’s lengthy report to be followed by Lee’s hello. I must start at February 22nd last winter at which time you gave me a magnificent dinner and gifts. Most of the attendees volunteered the information that “it was the best dinner they had ever attended” and my Holy Cross ’29 roommate described it as “the greatest public outpouring of affection he had ever witnessed!” I certainly felt it, and you can be sure I reciprocated every bit of it. Our chairman Jim Wade protected me from the details of names and their generousities presumably to save me the welcome burden of responses so that this is my only opportunity to express to all of you my great gratitude for your affection. Jim tells me that 38 states and 3 foreign countries were represented and I have received over 400 letters! Was anyone ever accorded more?

Shortly after the dinner I was named Head Coach of the 94 member U.S.A. Men’s and Women’s National Track and Field Team to the People’s Republic of China. The first T & F exchange and the largest contingent ever to visit the People’s Republic. It was also the first combined men’s and women’s team under one leadership. A memorable and sanguine experience in every way.

After recovering from pneumonia contracted our last day in Peking, I left for Britain eight days later proving that age has not diminished resiliency. On other pages I have gone into the Yale-Harvard trip in detail, but it bears repeating that this was the best of all worlds. The contribution made by Floyd Wilson (H) and his wife as manager of the trip must not go unrecognized. Floyd was a tireless, dedicated, enthusiastic, efficient, and charming companion. We have not had his equal, and Lucie and I are most grateful for his many ministrations.

I now come begging again and I hope for the last time. You will see from our attached balance sheet that our current cash account shows only $4,762.60 on hand for our use. Harvard has not as yet sent us the final financial report, but it is imminent, and by our estimate, we will need an additional amount of about $6,000 to meet our needs.

(Continued on page 2)

Yale’s new head track and field coach Lee Calhoun (left) and the man he succeeded, Bob Giegengack (right), shout encouragement to Yale runners during a meet last season.

ELIS HAVE STRONG SHOWING IN GREAT BRITAIN TOUR

By Bob Giegengack

Printed in the newsletter are the summaries of our four contests during our Oxford-Cambridge trip. It bears repeating that this trip was not only one of the most successful, but was easily the most enjoyable and most amicable of all trips—at least since 1949.

Almost all Yale and Harvard athletes reached new personal records.

Our only loss came at the hands of the Scottish National Team in a four-way meet in which the score was Scottish National Team, 203, Yale-Harvard, 193, Royal Air Force, 140, and Combined Scottish Universities, 74 points.

We defeated Oxford-Cambridge (11-6), Birmingham (98-91) and Combined Irish Universities (112-76).

The Oxford-Cambridge meet scored only first places. Birmingham and the Irish Universities were scored on 5-3-2-1 in the individual events and 5-2 on relays. Each side had to nominate two scoring entries in each individual event in all four meets and in the meet in Edinburgh the scoring was 9-7-6-5-4-3-2-1.

Both Yale and Harvard, throughout the collegiate season, went almost without a loss in the sprint relay (4 x 100 M). Yale won only one race and that in the dual meet against Harvard. Nonetheless, a combined team of Harry Davis (Y), Cliff Mayberry (Y), McLain (H) and Hooks (H) went undefeated, marked by brilliant stick passing and surprisingly fast times—always under 43 seconds.

Our young frosh hurdler, Harry Davis, also went undefeated, while running as fast as 14.6.

Kent Womack (Y) and Lance McGinnis (Y), representing our combined team in what appeared to be a woefully weak event, lost only to the Scottish National Team entries. In Dublin they went one-two with P.R.’s of Womack 188-10½ and McGinnis 188-8½ and took turns beating the opposition and one another. Captain Tom Ashrefalter (Y) won his place in the sun, even with his famous father, Homer, in the stands, by running a P.R. every time out and beating his Harvard conqueror, Okerman, three times out of four. Barry Papermaster (Y) did not lose to Harvard conqueror Peters, but Peters was disabled or

MATCH RESULTS

YALE-HARVARD—11 events: Oxford-Cambridge—6

With the addition of Peter Wehrwein, Timothy Lawrence, Philip Oviatt, Charles Gadol, Steve O'Connor and Jeremiah Goldstein, we have the potential to put together a very fine cross-country team next season. I hope our recruiting this year can bring Yale another good class of distance runners.

Our overall recruiting efforts resulted in a fine group of athletes and the team should show great improvement over last year.

We are not still getting the number of student-athletes to apply that we desire. If you know of any athletes that have the potential to be admitted to Yale, please let me know.

One of the things that harps our recruiting of athletes is our outdated cinder track. In a time when most high schools have some sort of all-weather surface, we are still running on cinders. With a change in the school calendar, we are now taking our spring break in early March and our recruits to this program force us to cancel work on or return to Cove Cage. Enough said about something that has already been discussed.

I hope you will continue to be as generous with your contributions as you have in the past, and I hope to have more to say about the program in the next newsletter.

IN MEMORIAM

Yale University and the Yale track and field team were deeply saddened by the death of our life-long benefactor, James T. Bryan, 1st Class.

Jim’s last public appearance was at the Yale-Cornell Indoor track meet last February 22nd and at Gieg’s dinner later in the day. He died peacefully only a few days after his return home.

Without fanfare or publicity, his estate has begun an endowment in his memory for the benefit of the Yale track and field team. You will note from the balance sheet in this issue that the fund has already received gifts of $210.00. The attention and generosity of his many friends over many eras are invited to perpetuate his name and the affection in which we hold him, by honoring him with future gifts to the James T. Bryan Memorial Endowment Fund.

ELIS STRONG SHOWING...

(Continued from page 1)

out of shape and his place on our winning 1600 M relay (4 x 400 M) was ably filled by Schmidt (H) or Butler (H).

It is worthy of note that only the U.S.A. remains on the Imperial System all others including England, Ireland and Scotland have converted completely to the Metric System. Shades of A.C. Gilbert! For years he was “a voice crying in the wilderness.”

Oxford-Cambridge Meet: We knew nothing about the English talent and approached the meet with some trepidation, especially in the running, because we thought that this edition of the Y-H team was much weaker than usual. Our fears turned out to be groundless. We expected to hold our own in the running and would have to sweep the field in the throwing and jumping to come out on top. After the first three events on the track we found the English even weaker. Davis (Y) won the first event in the H.H. Okerman (H) and Ashenfelter (Y) ran one-two in 800 M and Clifton Mayberry (Y) nipped the Oxford 100 M man at the tape. Womack and McGinnis went one-two in the javelin, and with Harvard men winning all but one of the field events, it became a rout. O-C could only win the 100, 400, mile, 5000, and, by a dropped Y-H relay stick, the 1600 M relay.

The score was 1:16. The series now stands: Y-H 14, O-C 10, and one tie in 25 meetings.

Birmingham: This has always been close although Y-H has never lost, one win being on points after a tie in first places, and this meet was no exception. The final score was Y-H 98, Birmingham 91. The issue was decided in the last event with Harvard discus throwers Gilbane and Niemi scoring 8 points.

Schmidt (H) and Butler (H) were one-two in 400 M hurdles. The same Y-H 4 x 100 M relay won going away in 41.9 (Davis (Y) Mayberry (Y) Melam (H) Hooks (H))

In the 100, Hooks (H) and McLain (H) ran one-three. We only ran Butler (H), and fourth, Papernaster (Y), in the 400 M. On the infeld, two Harvard triple jumpers went one-two. Womack and McGinnis (Y) took 2nd and 3rd in javelin and Harvard’s

Embrace (6-10) and McCullagh (6-8) went one and three in the high jump. At this point we led. Y-H 43 to Birmingham 30, Davis (Y) 2nd and Butler (H) 3rd were beaten by the English champion. We got a surprising second in the 1500 by Campbell’s (H) strong race. Two of the aged Birmingham’s (the two best in England) graduates forced us into only 3rd in the Hammer—Score Y-H 55 Birmingham 51. Tom Ashenfelter (Y) and Bell Okerman (H) finished second and third respectively in the 800 M. Heckel (H) 15’ 7” in Pole Vault established a new meet and P.R., but Block (H) cleared no height. Jiggetts (H) and McCafferty (H) finished 2nd and 4th in the Shot. We finished 2nd and 4th (Mayberry) in the 200, Score Y-H 77, B 72. Don Schlesinger (Y) took third with Skinner (H) fourth in the 5000 M. Score tied 80-80. We lost the Mile Relay to fall 3 points behind for the first time, and going into the aforesaid Discus, needed five points to win and here the Harvards contributed the most important 8 points.

Edinburgh Meet: Yales and Harvards responded gamely to a very rugged competition.

The Harvard entries in the Field performed brilliantly. Our Davis was a surprise winner in H.H. as our combined 4 x 100 M relay continued to win. Hooks (H) and Mayberry (Y) ran only three and six in the 200, while Butler (H) and Papernaster (Y) ran 3 and 5 in the 400. Ashenfelter (Y) and Okerman (H) were 4 & 5 in the 800. Campbell (H) could only garner 5th in the 1500, but came back to get a sixth in 3000 M to Danny Schlesinger’s 8th. Our combined 4 x 400 M relay lost a close one to the Royal Air Force. Harvard entries in the Field were beaten only in Discus, Hammer & Shot and the two Yale javelin men took 3rd & 4th, but it was just a little too little too late. While we’re always wanting to win, we could not be displaced by such an outstanding effort. Once again Yale and Harvard made a cohesive, courageous effort and in their spirit and teamwork, could only be distinguished by the color of their uniform.

Y-H vs Combined Irish Universities

Score Y-H 112 U.C.D. 76. The Irish could win only the 100, 200, 600, 1500, 5000 on the track and only the discus in the field. Even in those events which we lost, we had both Davis on the sidelines, both relays, one & two in javelin, one & two in H.J., one & three in T.J., one-two in P.V., one-two in Hammer, one-two in the Shot.

1975 TRACK LETTERWINNERS

Capt. Alan T. Ashenfelter, ’75; Christopher M. Beachhold, ’76; Lewis B. Boswell, ’76; Mark A. Buter, ’76; Gregory C. Chodos, ’76; Harry A. Davis, ’76; Gregory G. Dubinstei, ’75; Willam D. English, ’75; Michael D. Farewell, ’75, Bruce L. Greene, ’77; Rollin B. Johnson, ’76; Lance E. McGinnis, ’77; Clifton A. Mayberry, ’78; John A. Pagliora, ’77; Charles H. Palmer, ’76; Barry Papernaster, ’76; John H. Pavloff, ’77; Richard J. Phelps, ’76; Daniel J. Schlesinger, ’77; Barton A. Smith, ’77; Kenny J. Tyson, ’77; Robert J. Wilson, ’76; Brian E. Wood, ’77; Emerick M. Woods, ’77; Kent L. Womack, ’78.

Yale Track Newsletter
AROUND THE TURNS

Head coach Lee Calhoun and former head coach Bob Giegengack had a big hand in two of the more prestigious efforts by United States track and field squads in the past few months. Calhoun served as head coach of the U.S. Junior Men’s Track and Field squad which traveled to Kiev, Russia, and Prague, Czechoslovakia, for meets against those countries’ national teams... Calhoun also served as co-head coach of the U.S. squad which competed in the USA-Africa-West Germany triangular meet in Durham, N.C., in July. Lee will also spend a busy 1976 summer when he serves as an assistant coach of the U.S. Men’s Olympic Track and Field squad... The former gold medal hurdlers will be in charge of the sprinters and hurdlers for the event being staged in Montreal... Giegengack’s efforts as head coach of the U.S. team which toured the People’s Republic of China took on a more historical note... It was the first time a track team from the United States had ever visited that country and it was also the first combined men’s and women’s team under one leadership...

Assistant coach Bruce Hescock had another busy summer... The 41-year-old Boston University graduate set up another national decathlon record at the National AAU Masters Decathlon Championships in Santa Maria, Calif. Hescock, who set the record a year earlier, eclipsed his old point total of 5,987 with an effort of 6,001 points... Bruce set two other records at the event... His 21-2½ long jump was an AAU meet record as was his 12-10 3/4 effort in the pole vault... Cliff Mayberry, who grabbed an 8th place finish in the IC4A’s last spring in the 100-yard dash, was named the co-recipient of the Treasurer’s Award, given annually to the outstanding performer in the Yale-Harvard dual meet... Mayberry was a winner in the 100 and 220-yard dashes and also ran a leg on the winning 440 relay team... Another former Yale runner who was quite a few races himself, Don Martin, was in the news again recently... Martin, who won three straight 100 and 220-yard dash championships at the Outdoor Heptagonals from 1969-71, was one of 43 players to make the Kansas City Chiefs... Martin had impressed new Chiefs head coach Paul Wiggin with his speed and quickness as a defensive back... Two other former Eli trackmen haven’t been as fortunate... Calvin Hill, another former Hept champ in the long jump and triple jump, had his season with the WFL Hawaiians cut short by a knee injury... Greg Dubel, 25, who made it to the final cut with the Cincinnati Bengals before being cut, found himself out of a job last month when the World Football League folded... The former Eli weightlifter had signed just three weeks earlier with the Charlotte Hornets... Peter Diamond, who was a huge contributor to this

YALE COACH LEE CALHOUN

Lee Calhoun, a former Olympic Gold Medal winner became Yale’s head track coach on July 1, succeeding Bob Giegengack, who retired after 29 distinguished years at the Yale helm...

A member of the U.S. Olympic Track and Field Committee, Calhoun had served the past five years as assistant track coach at Yale, working closely with the sprinters and hurdlers. Prior to joining the Yale staff, Lee had served as head track and field coach at Grambling College from 1967-69. While at Grambling, Calhoun coached a pair of two-time NAIA champions...

Calhoun, 42, will be an assistant coach for the United States men’s track team at the Montreal Olympics next summer. It will not be his first endeavor onto the international level, however. In 1971, he was an assistant coach of the U.S. team which won the Pan-American Games in Car, Colombia, and this past summer, he served as head coach of the U.S. Senior men’s team which toured both Russia and Czechoslovakia. He was also head coach of a U.S. team which made a State Department sponsored tour to five Eastern countries in 1968...

Born in Laurel, Miss., Calhoun moved to Gary, Ind., at age nine where he grew up. After graduating from Roosevelt High School in Gary, Lee entered North Carolina College (now North Carolina Central University) where he was a classmate of former Boston Celtics’ star Sam Jones. After taking a two-year leave for military service, Lee graduated in 1957 with a Bachelor of Science degree. He earned his master’s degree from the same institution in 1965...

As a competitor in the hurdles, Calhoun was sensational. He once held world’s records in the 50, 60, 70, and 120-yard hurdles, the last in 13.2. That mark lasted until Rod Milburn broke it two years ago...

During his career, Calhoun won seven national titles and innumerable international championships. He won gold medals in the 120 high hurdles in the 1956 and 1960 Olympics...

Prior to joining the Grambling faculty, Calhoun served as city sports director for the Gary City Recreation Department and as a physical education instructor in the Gary public school system...

He is an original member of the Indiana Track Hall of Fame, is a member of the Helms Sports Hall of Fame and was also an original member of both the U.S. Track and Field Hall of Fame in Angola, Ind., and the National Track and Field Hall of Fame in Charleston, W. Va...

He and his wife, Gwendoly, a high school teacher, have two children, Brenda, 16, and Daniel, 13. Brenda is a standout high school sprinter and last spring captured state championships in the 100 and 220-yard dashes.

publication during his undergraduate days at Yale, is keeping himself busy these days as a researcher with ABC Sports in New York...Two former Yale track notables still have ties with Yale athletics...Kevin Kelly, a tight end on the varsity football squad, is the younger brother of former cross-country captain Brian Kelly and Alison Meares, a sophomore on the women's gymnastics team, is the sister of former track standout Drew Mears and the daughter of another former Eli runner, Edward Mears...One of the nicest awards presented to retiring coach Bob Giegengack was the induction into the Achilles Club, the organization of Oxford and Cambridge letter winners...Gieg was only the second American to be bestowed such an honor...The late Avery Brundage was the other recipient.

JOHNNY TO CAPTAIN 1975-76 TRACK SQUAD

Rollin Johnson, a senior middle distance runner from Moorestown, N.J., will serve as captain of the 1975-76 Yale track squad. Johnson, who showed remarkable improvement during his junior year, succeeds another New Jerseyite, Tom Ashton of Glen Ridge.

The 6-1, 150-pound Johnson was Yale's top half-miler outdoors last spring and was a consistent scorer indoors in the 600-yard run. He has also run the intermediate hurdles, an event he picked up for the first time last spring. Johnson, whose best time in the 600 last winter was 1:12.9, has also been a member of the Yale mile relay team.

At Moorestown High School, Johnson participated in track and cross-country, as well as playing soccer. He is majoring in marine biology at Yale.

WHITE CAPTAINS YALE HARRIERS

Mike White, who captained the Yale cross-country squad as a junior, is again leading the team during the 1975 season.

The resident of Caldwell, N.J., has shown marked improvement during his four years on the Yale varsity and has been a consistent point scorer for the Elis. White, a sturdy, diligent runner, has earned three varsity cross-country letters.

He also competed for the Yale track team the past three years, specializing in distance events.

He is majoring in Japanese Studies at Yale.

TRACK ALUMNI

Dr. Peter Jokl, who is director of athletic medicine at the Yale University Health Services, is interested in putting together an alumni track meet sometime during the 1975-76 school year. He has suggested a meet against possibly the Harvard alumni or even among Yale track alumni. If any former alumni would be interested in putting something like this together, or competing in such an event, they are asked to send their name, address and event to Dr. Jokl.

His address is Yale University Health Services, 17 Hillhouse Avenue, New Haven, Conn. 06520.
