BUY A BRICK
LEAVE A LEGACY

When the Carol Roberts Field House opens this summer the women of Yale Field Hockey and Softball, along with their alumni, family and friends, will have a beautiful new home to call their own. **You can become a part of this incredible facility by purchasing a brick paver that will be permanently installed in the walkway leading up to the building.**

**Brick Details**
The bricks are 4” x 8” and are engraved using state of the art laser technology which ensures their durability and strength. They will be installed around the circular section before the entrance to the building.

**Deadlines**
Please submit this form back by May 7, 2018 to be included in the initial installation. Our goal is to have the bricks in place before the building opens to the teams this summer. This will be an on-going option, with orders being accepted throughout the year and installed in the summer of each year.

**Engraving Information:**
- Your 4” x 8” brick can have up to 3 lines of wording and numbers and **20** characters per line
- Please print legibly and include punctuation and blank spaces as characters
- All text is automatically centered on the brick
