The mobile units, when not on-site, will be stored in the Olney Margolies Athletic Center Training Room.
Emergency Care and Coverage by Venue

Brown Stadium

The following Medical Emergency Action Plan will be posted at Brown Stadium at appropriate locations near telephones.

BROWN UNIVERSITY
MEDICAL EMERGENCY ACTION PLAN
BROWN STADIUM

1. Assess situation, establish level of consciousness, extent of injuries.
2. (A) CALL 401-863-4111 (B) 3-4111 from a campus phone. (C) From an outside campus phone in yellow box, press the RED [Brown police emergency] call button for immediate connection with police and security.
   - Outside campus phone in yellow box is located at entrance gates on Elmgrove Avenue.
   - Outside campus phone in yellow box is located in dugout on Brown home sideline.
The Dispatcher will need the following information:
   a. NAME & TELEPHONE NUMBER OF CALLER
   b. CONDITION OF INJURED PERSON
   c. TREATMENT INITIATED BY FIRST RESPONDER
   d. SPECIFIC LOCATION OF INJURED PERSON (SEE DIRECTIONS)

DIRECTIONS -Instruct EMS to come to Brown Stadium’s entrance on Elmgrove Avenue. Once inside main gate, drive to gate at left side of parking lot. Take an immediate right once through gate, proceed 100 yards and then drive into stadium through gate on the right of the scoreboard.

3. AED LOCATIONS –
   - During football games, there is a mobile critical care on-site unit with advanced life support (ALS)/emergency medical technician (EMT) personnel located to the right of the scoreboard near the NE entrance to the playing field. If this ambulance is busy with a patient, follow the procedure above.
   - An AED is available for athletic trainers covering home games or meets. If one of the two AED’s from the athletic training room is not being used by the athletic training staff it is available for coaches who would like to take it to their team practice.

4. Send someone to meet EMS at the entrance to Brown Stadium on Elmgrove Avenue.

MEDICAL EMERGENCY CONTACT NUMBERS

For any emergency call Brown Public Safety 401-863-4111
Russell Fiore – Head Athletic Trainer 401-413-1410 Cell– 401-863-3851 - Office
Main Athletic Training Room-OMAC 401-863-3851
Brown University Student Health Services 401-863-3953
Rhode Island Hospital Emergency Room 401-444-4000
A Certified Athletic Trainer and Team Physician will assess the situation and initiate basic life support (BLS) and emergency first aid (FA) procedures.

There is a mobile critical care on-site unit with advanced life support (ALS)/emergency medical technician (EMT) personnel located on the track to the right of the scoreboard. EMT personnel will be notified by way of direct verbal or visual communication between the on-site EMS unit and a certified athletic trainer. EMT personnel will be directed to where the injured student-athlete is being attended.

Event management and security staff personnel will be responsible for crowd control to allow EMS access to and from all gates surrounding the field and stadium.

A team physician or certified athletic trainer will accompany the injured student-athlete to Rhode Island Hospital ER or to Miriam Hospital ER. The location to which the athlete will be transported is at the discretion of the attending Team Physician.

Brown Student Health Services will be notified on the present situation at 401-863-3953. Coordination of medical information and details with parents, family, or other appropriate persons will be made in the OMAC Athletic Training Room facility with the landline at 401-863-3851 by the Staff Certified Athletic Trainers. Uses and disclosures of this information is subject to the Family Educational Rights and Privacy Act (FERPA) and the Rhode Island Health Care Communications and Information and shall be released only to those individuals/organizations to which the student-athlete has granted consent unless an exception exists for use and disclosure without consent.

A Certified Athletic Trainer will assess the situation and initiate BLS and emergency FA procedures.
EMS will be instructed to come to Brown Stadium’s Football field and enter through the main entrance on Elmgrove Avenue. A member of the health-care team or coaching staff (Staff Athletic Trainer or assistant football coach) will meet the EMS unit at that gate on Elmgrove Avenue and will direct them to the injured athlete. Once inside main gate, EMS will drive to the gate on the left side of the parking lot. Once through the gate take an immediate right, proceed 100 yards and then drive into stadium through gate on the right of the scoreboard. The EMS unit will drive onto the stadium track, to a team bench or to a location on the track closest to the field of play where the injured student-athlete is being attended. The key to the gates will be with certified athletic trainer.

A Staff Certified Athletic Trainer will accompany the injured athlete to the Rhode Island Hospital ER or to Miriam Hospital ER (at the discretion of the Team Physician and/or EMS personnel). The OMAC athletic training room will be called at 401-863-3851 and an ATC will be asked to replace the Certified Athletic Trainer, who is accompanying the injured athlete, if practice continues.

The Head Athletic Trainer will be notified of the present situation at 401-413-1410. The Head Athletic Trainer will notify the Team Physician or a member of his staff at University Orthopedics at 401-457-1538 or through central paging at 401-444-5108. Brown Student Health Services will be notified of the present situation at 401-863-3953.

Coordination of medical information and details with parents, family, or other appropriate persons will be made in the OMAC Athletic Training Room facility with the landline at 401-863-3851 by the Staff Certified Athletic Trainers. Uses and disclosures of this information is subject to the Family Educational Rights and Privacy Act (FERPA) and the Rhode Island Health Care Communications and Information and shall be released only to those individuals/organizations to which the student-athlete has granted consent unless an exception exists for use and disclosure without consent.

- **Location:** Brown Stadium
- **Sport:** Men’s & Women’s Track and Field
- **Event:** Meet
- **Nearest AED Location:** 1 – If available, a mobile unit will be with the certified athletic trainer at the meet.

The Certified athletic Trainer will assess the situation and initiate BLS and FA procedures.
into stadium through gate on the right of the scoreboard. The EMS unit will drive to a location on the track or field closest to where the injured student-athlete is being attended. The coaching staff will be responsible for crowd control to allow EMS access to and from all gates surrounding the field and stadium.

A Staff Certified Athletic Trainer or coach will accompany the injured athlete to the Rhode Island Hospital ER or to Miriam Hospital ER (at the discretion of the Team Physician and/or EMS personnel). The OMAC athletic training room will be called at 401-863-3851 and an ATC will be asked to replace the athletic trainer, who is accompanying the injured athlete, if the meet continues. The Head Athletic Trainer will be notified of the present situation at 401-413-1410. The Head Athletic Trainer will notify the team physician or a member of his staff at University Orthopedics at 401-457-1538 or through central paging at 401-444-5108. Brown Student Health Services will be notified of the present situation at 401-863-3953.
