The camp will feature current Hamilton team members. In addition, Hamilton Athletic Trainers will be on staff

Register Online: http://athletics.hamilton.edu/information/camps_and_clinics

All campers must submit a camp health form with current and accurate medical information. You may submit a photocopy of your child’s Record of Immunizations (may be obtained from your physician) in lieu of completing the immunization section of the form. The immunization record must include dates. All campers must submit a Parental Permission/Hold harmless Agreement. Both forms can be found on the Hamilton College Summer Camps website.

Melissa Mariano was named head coach of the Hamilton field hockey program in July 2017. She spent the previous nine years as the head coach at Franklin and Marshall College with a program record of 129-46. Her team earned a total of 10 all-America honors, 21 all-region selections, and 5 trips to the NCAA Tournament. Coach Mariano was named the 2011 (NFHCA) Division III South Region Coach of the Year and the 2011 and 2015 Centennial Conference Coach of the Year.

This past season, Coach Mariano led Hamilton field hockey to another strong season. Hamilton was ranked in the NFHCA Top 20 all year with a program best ranking of #9. We were proud to be one of the top contenders in the NESCAC this year and hope to continue to challenge for the NESCAC Championship in 2018!
