There is no other place like Brandeis. As a medium-sized private research university with global reach, we are dedicated to first-rate undergraduate education while making groundbreaking discoveries.

Our 235-acre campus is located in the suburbs of Boston, a global hub for higher education and innovation.

Our faculty are leaders in their fields, as passionate about teaching and mentorship as they are about pushing the boundaries of knowledge. Our students are motivated, compassionate, curious and open to exploring new and challenging experiences.

At Brandeis, you will discover a community rooted in purpose, guided by our founding values, poised to lead in education and research in the 21st century.

Brandeis’ visionary founders established a nonsectarian research university that welcomed talented faculty and students of all backgrounds and beliefs. From the outset, Brandeis focused on undergraduate education, while building a pioneering research enterprise.

Brandeis University is a community of scholars and students united by their commitment to the pursuit of knowledge and its transmission from generation to generation. As a research university, Brandeis is dedicated to the advancement of the humanities, arts and social, natural and physical sciences. As a liberal arts college, Brandeis affirms the importance of a broad and critical education in enriching the lives of students and preparing them for full participation in a changing society, capable of promoting their own welfare, yet remaining deeply concerned about the welfare of others.

Brandeis was founded in 1948 as a nonsectarian university under the sponsorship of the American Jewish community to embody its highest ethical and cultural values and to express its gratitude to the United States through the traditional Jewish commitment to education. By being a nonsectarian university that welcomes students, teachers and staff of every nationality, religion and orientation, Brandeis renews the American heritage of cultural diversity, equal access to opportunity and freedom of expression.

The university that carries the name of the justice who stood for the rights of individuals must be distinguished by academic excellence, by truth pursued wherever it may lead and by awareness of the power and responsibilities that come with knowledge.
For 31 years, the University Athletic Association has continued to serve as a bold statement of the vision of its founders — that the pursuit of academic and athletic excellence are complementary goals and can be achieved without the compromise of one by the other. The members of the UAA hold that the success of intercollegiate athletics is wholly dependent upon institutional integrity and the ability of institutions to complete the full integration of athletics into the academic fabric of higher education.

The UAA is a significant expression of the principle that the provision of a high-quality college athletic experience is worth the commitment required of an institution. It is worthwhile not only because it benefits the student-athletes, but also because it benefits the entire campus community and, in turn, the institution itself.

Members of the UAA share the belief that academic excellence and athletic excellence are not mutually exclusive. Implicit in this belief are several sets of assumptions. The first is that the academic enterprise is the primary element. Student-athletes are just that — students first and athletes second.

The second set of assumptions has to do with athletic excellence. Athletic excellence is not to be confused with a win-at-all-costs attitude. It properly relates to the caliber of experience offered to students who participate in intercollegiate athletics. Athletic teams should have the benefit of qualified coaching — capable individuals chosen for professional competence and commitment to putting the welfare of the student first. They should play and practice in first-rate facilities at reasonable times. Their equipment should be safe, of high quality, and conducive to the best performance possible. A consistent and challenging level of athletic competition should be provided to both women and men.

The final assumptions concern what might be termed a proper athletic emphasis. Athletic programs are extracurricular activities conducted for students and should be given consideration similar to that accorded other such institutionally sponsored activities. They should not only complement the academic experience, but should also reflect the quality of the academic environment within which they exist. Division III is an approach to athletics — not a synonym for third-rate.

Many student-athletes from UAA institutions have been recognized for their achievements as scholars and athletes. During the 2016-17 academic year, 44 student-athletes from UAA institutions were recognized as CoSIDA Academic All-America® honorees, which included the Honda D3 Athlete of the Year, three Academic All-American of the Year honorees, and one NCAA Elite 90 award winner. 142 received All-America honors in team or individual sports, 16 garnered individual national championship event titles or national Player of the Year honors, and 20 others won NCAA titles in relays.

In addition, 15 student-athletes from UAA institutions were among the select group of seniors across the country named NCAA Postgraduate or Fulbright Scholars.

Teams throughout the UAA are perennial contenders for post-season play. In 2016-17, UAA teams captured the NCAA title in women’s soccer, men’s and women’s swimming and diving, women’s indoor track and field, men’s tennis, and women’s outdoor track and field. In all, 25 UAA teams posted top-ten finishes in their national championships, including 15 among the top-five, and 11 others finished in the top twenty.

In 2016-17, 44 student-athletes from UAA institutions were recognized as CoSIDA Academic All-America® honorees and 15 were named NCAA Postgraduate or Fulbright Scholars.

142 UAA student-athletes received All-America honors with 36 garnering individual/relay national championship or national Player of the Year accolades.

In 2016-17 NCAA championship competition, 25 UAA teams finished in the top 10 with six winning NCAA titles, and another 11 finished in the top 20.

In her 31st season guiding the Judges, Carol Simon is the dean of University Athletic Association women's basketball coaches. Her success with the women's basketball program has garnered her the designation as one of the most respected Division III coaches in New England. She has earned University Athletic Association Coaching Staff of the Year honors in 1991-92 and 2004-05 and in 2010 was inducted into the New England Basketball Hall of Fame.

From her inaugural head coaching season back in 1987-88, Simon led Brandeis to three New England Women’s Eight tournament titles, three NEW Eight regular season crowns and five berths in the ECAC Division III New England tournament, with back-to-back titles in 2004 and 2005 and, more recently, a title in 2014-15. She helmed the Judges to four straight appearances in the NCAA Division III tournament from 2006 through 2009. The 2008-09 campaign included the team’s historic run to the Elite Eight, when they earned the right to host the first two rounds of the tournament before advancing to the sectionals. They finished the season ranked No. 11 in the nation in Division III in the USA Today/ESPN poll and 15th in the d3hoops.com poll.

In her 30-year tenure, Simon has recorded 422 wins, including a 225-139 record over the past 14 campaigns, a .618 winning percentage. She notched her 400th career victory on Nov. 15, 2015 as part of Brandeis's annual Tip-Off Tournament. As the winningest coach in school history, she has coached nine 1,000-point scorers, four All-Americans and two UAA Players of the Year. Among her recent graduates are Caitlin Malcolm '07, who became the first Brandeis women's basketball graduate to sign a professional contract when she joined Killester in the Irish League in September 2007; Jaime Capra '08, the 2008 UAA Co-Player of the Year; and Jessica Chapin '10, the first player named a WBCA first-team All-American in program history.

Simon has repeatedly proven her successes as a talented recruiter, program-builder, game strategist and inspirational leader, as she was named the New England Women’s Eight coach of the year in both the 1991-92 and 1992-93 seasons, as well as part of the UAA Coaching Staff of the Year in 1991-92 and 2004-05. Her dedication to the program is seen through her intense personal, competitive drive to make the Brandeis Women's Basketball team one of the most dominant in the country.

A native of Middlebury, Connecticut, Simon is a 1985 graduate of Colby College where she majored in Administrative Science. She was a member of Colby’s ECAC Division III women's basketball championship teams in 1984 and 1985. A three-sport athlete, she captained the team her senior year, while also serving as captain of the soccer and softball teams. Perhaps a highlight to her personal athletic career, Simon represented the United States in the 1981 World Maccabiah Games. In 2003, Simon earned her Master’s degree in Management from Brandeis's Heller School.
COACHING STAFF

ASSOCIATE HEAD COACH
SCOTT FOULIS

In his 11th season on the Judges’ sidelines, Associate Head Coach Scott Foulis has helped Brandeis compile an 140-119 record in his tenure, including two NCAA tournament appearances and the 2014-15 ECAC Division III New England crown. He previously spent three seasons at Springfield College, where he helped guide the Pride to two New England Women’s and Men’s Athletic Conference championships and an average of 20 wins per season. SC owned a 61-25 record in his tenure, including reaching the Elite Eight of the 2005 NCAA tournament.

Before Springfield, Foulis spent one season as the top assistant coach and recruiting coordinator at Division I Bucknell University in 2002-03. He also earned Division I experience at the University of Massachusetts-Amherst, where he was an assistant from 1995 to 1998, returning in the 2001-02 season. While at UMass, the Minutewomen won one Atlantic-10 championships and made two trips to the NCAA tournament in 1996 and 1998. He also coached two players who were selected in the 2003 WNBA draft.

Foulis has head coaching experience as well, having coached at Massachusetts College of Liberal Arts in 2001-02. He also served as an assistant at the University of Rhode Island and Plattsburgh State University.

Foulis earned a degree in sports management from UMass in 1997 and his Masters in athletic administration from Springfield in 2007. He and his wife Jill have three children, Chelsea, 13, and Evan, 10, and Colin, 7.

ASSISTANT COACH
CEARA McNAMARA

Ceara McNamara joined Carol Simon’s basketball staff as an assistant coach last year after graduating from Brandeis in 2016. She played in 60 career games and averaged a career-high 16 minutes per game as a senior before a broken foot ended her season prematurely. McNamara was a four-time Dean’s List student who earned Academic All-UAA honors as a senior. She graduated from Brandeis with a degree in Health: Science, Society and Policy and a Hispanic Studies minor.

I plan to major in: Neuroscience (on the pre-med track).
My favorite high school athletic moment was: when I got fouled with 1.6 seconds left on a 3 pointer and made all 3 free throws to force the game against our high school rivals into double overtime (and we ended up winning).
The things that attracted me most to Brandeis were: the Neuroscience program, as well as how helpful the faculty was and how the team was like a family.
My favorite place to travel is: Florida.
My favorite movie is: Hoosiers because my dad and I used to watch it together the night before every one of my games.

My major is: Environmental Studies
My favorite class at Brandeis has been: Fundamentals of Environmental Challenges because we learned all about the trees/leaves on campus. It’s cool to walk around and be able to point out what each tree is.
My summer job was: a camp counselor at my local Park and Rec. I also worked on a Miniature Horse Farm where I helped with the farm chores and gave horses baths/haircuts.
The thing that attracted me most to Brandeis was: the athletics mixed with the academics, making Brandeis a perfect school to continue both my athletic and academic careers.
My favorite movie is: Forrest Gump because it tells such a good story and heightens every emotion at least once throughout the whole movie.

2017-18 13 BRANDEIS BASKETBALL
KATIE CONCALO
G • 5-10 • SO.
FALL RIVER, MASS. • TABOR ACADEMY

My major is: Biology/Pre-med.
My goal for the 2017-18 season is: To play a bigger role in leadership this year and for our team to work hard and do well as a whole.
My favorite class at Brandeis has been: Diseases of the Mind. You don’t need to be a science major or have any sort of background in it.
My favorite place to travel is: Paris, France - any of the pictures you can see online or even the ones I took on my trip don’t do it justice how amazing it is there.
My favorite TV show is: The Office. I almost never watch TV but this is the first show I’ve actually become obsessed with.

Career Bests:
Points: 11, 2/12/17, at Case Western
Rebounds: 5, 1/3/17 at UMass Boston
Assists: 4, 2/17/17 vs Chicago
Steals: 3, 2/25/17 at NYU
Blocks: 1 (twice), 1/27/17 at Emory
Minutes: 19, 1/19/17 at Rochester

KAYLA CARDER
F/C • 6-0 • FR.
CHAMPLAIN, N.Y. • NORTHEAST CLINTON CENTRAL

I plan to major in: Pre-med
My favorite high school athletic moment is: Scoring 1,000 points.
My favorite high school class was: Anatomy & physiology because I am fascinated by the human body.
My dream job is: Orthopedic Surgeon
My favorite pro or college athlete is: Elena Delle Donne because she is proof that you can take your own path and still make it to the top.
My favorite movie of all-time is: Coach Carter because it shows what hard work and your mind set can effect you as an individual and a teammate.
JILLIAN PETRIE
F • 5’11 • FR.
MARLBOROUGH, MASS. • MARLBOROUGH

My favorite high school athletic moment is: Beating our rival in a quarterfinal playoff game and scoring my 1,000th point during that game.
My goal for the 2017-18 season is: Always give my best and be there for my team in whatever way I’m needed.
The thing that attracted me most to Brandeis is: the sense of community that it provides.
Outside of my sport, I am looking forward to: Meeting new people.
My favorite musical artist is: Sam Hunt because I love almost all country music.

SAMIRA ABDELREHIM
F /C • 6’1 • FR.
BURLINGTON, CONN. • LEWIS S. MILLS

I hope to major in: Biology
My favorite high school athletic moment was: Celebrating all of the senior nights with my teammates.
My favorite high school class was: AP Biology because it was really interesting and my classmates and teacher made it really fun.
My favorite place to travel is: the Caribbean.
My dream job is: in the pediatric medical field because I love working with kids and I find biological and medical sciences to be fascinating.
My favorite meal is: Sushi.
