OHIO ATHLETICS HALL OF FAME

ELIGIBILITY CRITERIA:
To be eligible for the Hall of Fame, a student-athlete must have brought recognition to Ohio University through their athletic accomplishments. A student-athlete is eligible anytime later than five years after graduation.*

To be eligible for the Hall of Fame, a coach or administrator must have been employed at Ohio University for at least five years and made significant contributions to Ohio Athletics and the intercollegiate athletic industry.

No fewer than three nominees for the Contemporary and/or Heritage Era and one for the Glenn C. Randall Lifetime Achievement Award may be elected to the Hall of Fame in a single year. There is no limit, however, to the number of times that a nominee may be considered for selection. The selections will be the top four receiving the most votes.

* A strong priority is placed upon degree attainment for those individuals being considered for the Hall of Fame. In the very unique case where an individual has distinguished him/herself as a student-athlete, special circumstances may be given to individuals who left Ohio University in a good standing without earning a Bachelor's Degree. In those rare cases, they may be considered when they reach the requirements for the Heritage Era, graduated 40 years prior to the induction year, with a ¾ affirmative vote of the Hall of Fame Selection Committee.

NOMINATION CRITERIA:
Nominees must meet the Ohio University Hall of Fame criteria for induction to be considered. All nominations must be submitted with a nomination form and an accompanying narrative nomination letter by January 1st for a fall induction year.

Nominees will stay on the ballot for five years. Those who are not inducted in the five-year time frame will be removed from the ballot but can be resubmitted for consideration with a letter of nomination.
