All campers must submit a camp health form with current and accurate medical information. You may submit a photocopy of your child’s Record of Immunizations (may be obtained from your physician) in lieu of completing the immunization section of the form. The immunization record must include dates. All campers must also submit a Parental Permission/Hold Harmless Agreement. Both forms can be found on the Hamilton College Athletics Camps and Clinics website. I agree to allow my child to be photographed and/or videotaped for possible use in future print and online promotion of this camp.
