In addition, I agree to give JWU and its representatives permission to provide emergency medical response and/or treatment as needed for any injury or illness that may occur while my child is involved in the Camp and agree release JWU and its officers, trustees, employees, and agents from liability arising out of such treatment. I further understand that in case of medical emergency, I will be fully responsible for all expenses. Knowing the risks involved, I agree, for myself and on behalf of my child and my child’s heir, personal representative(s), and assigns to the maximum extent permitted by law, to assume all the risks and responsibilities surrounding my child’s participation in the Camp and to hold harmless, indemnify, release, and forever discharge Johnson & Wales University and its officers, trustees, employees, and agents from liability arising out of such treatment. Coaches:

Scott Reslow is a 9-year veteran of collegiate volleyball at Johnson & Wales University. He has the most wins in the history of the program, and recently achieved the program’s first 20-win season.

Reslow sent the Wildcats to the playoffs 8 out of the 9 years he’s been at the helm. He was also named the Great Northeast Athletic Conference (GNAC) coach of the year in 2011. Believing in a well-rounded player approach, Reslow has coached 19 All-GNAC Team selections.

Brian Garrepy has been on the bench for the Wildcats for the past 8 seasons. Garrepy, a former stand out high-school volleyball coach, has been crucial in the success of the JWU Men’s Volleyball Program.

Garrepy is a defensive minded coach who preaches activity and movement along with fundamentals. He is also a skilled recruiter who has been instrumental in building the program to what it is today.
