Support Field Hockey and Men’s and Women’s Lacrosse teams by dedicating a brick or paver on the new Sports Celebration Patio coming soon to the new turf field.

The University of Mary Washington is developing a new state-of-the-art turf field on the University's "D" field (previously the field hockey/women's lacrosse field). Worthy of hosting national championship competitions, this new lighted turf field will soon serve as home to UMW field hockey, men's lacrosse, and women's lacrosse programs.

Dedicate a brick or paver on the Sports Celebration Patio, which will be constructed near the new field. Order a brick or paver with your name, the name of a friend, a team, or a student. It’s a great way to etch your memories in stone and to support UMW’s field hockey and lacrosse programs.

See the form below for order options. Call (540) 654-1890 for more information.
