THE ENGLISH ARE BACK

The English arrived at J. F. K. on June 11th and were greeted by representatives from both Yale and Harvard. They were lodged at Yale that night and proceeded to Harvard on Sunday for the upcoming competition and all the related festivities.

After two days of practice and fraternization the meet was contested on June 14th and the Y/H combined team won by a convincing 14 to 3 margin. Yale was represented by 10 athletes and accounted for 4 individual wins, 2 meet records and contributed two legs to the winning 4 x 100 meter relay.

There were four meet records broken in the competition. Kent Womack (Y) continued his impressive record-breaking campaign in the javelin throw with a toss of 229' 1", slightly off his Yale and Heptagonal Championship record of 242' 9". Daniel Schlesinger (Y) recorded a new mark of 14:32.2 in the 5000 meter run completing his comeback from an accident that sidelined him for the winter. The other Y/H record was set by Jeff Stiles (H) in the pole vault. The lone record broken by the English was the 4 x 400 meter relay record.

The traditional banquet was held after the meet with friendship and the exchanging of gifts the order of the evening.

On June 15th our athletes departed to the four winds and the English boarded their bus for their next competition with Penn and Cornell.

The Ox-Bridge team concluded their competitions on June 21st with a meet against Princeton and Army. The meet score was identical to their Penn-Cornell score of 4 to 16 with the English on the short end again.

Due to scheduling problems the English team did not have any place to hang their hats from the 22nd until their departure on the 26th. Through the concerned efforts of the Yale staff we were able to offer them the use of the Yale Outdoor Educational Center, and they gratefully accepted.

The stay at the East Lyme Center was a complete success as it was four years ago when we hosted them for two days there. Activities there included: boating, swimming, volleyball, basketball, softball, tug-o-wars, etc., and, of course, cooking and refreshments were frequent and rewarding experiences to all.

On Friday a superstars contest was held at the center between the hours of 9:30 a.m. and 6:00 p.m. It was a highly spirited contest ending with a number of highly entertaining tug-o-wars.

The last night at the center was centered around a bonfire and was finally dampened by rain.

The last four days at East Lyme were a fantastic experience for all who participated. A special note of thanks should go to DeLaMan Kiphuth and Ed Migdalski for their part in making that stay possible. Many fond memories will be cherished by all who were involved in this year's meeting. Our English friends are eagerly looking forward to hosting us in two years when we plan to visit their Island.

Our sincere appreciation goes to all who have contributed to the Yale Track Association.

Bruce Hescock

COACH'S CORNER

In the last newsletter, I expressed my concern on several subjects for the improvement of the track program here at Yale.

The recruiting portion of the program has improved somewhat but not to the point where we can field a championship team. With your help in recruiting I feel this can be accomplished in two to three years, perhaps sooner.

The Track Office submitted 61 names of ranked athletes to the Admissions Office; 20 were rejected, 17 went to other schools, 7 were waitlisted and 17 accepted Yale. Overall, there will be 51 freshmen this year who have run track in high school but all are not the caliber athlete we are looking for.

This is by far the best year of recruiting that we have had in a long time, but there is still room for improvement.

Facilities

At the present time, plans for the renovation of our outdoor track are being drawn up. This is being done voluntarily and we look forward to seeing these drawings soon. We hope to submit the plans to the University for approval and hopefully the University will give us some, if not all, the funds needed. There is a possibility we might have to count on you for financial help in this matter.

The only improvement to date is the installation of a Steeplechase pit. My other requests were turned down: Long Jump, Triple Jump Runway for Coxe Cage, and improvement of a trail on the golf course for the Cross Country runners.

Finances

If you have read the financial statement, you can see that we are in need of your financial (continued on page 2)

help. Over 2000 newsletters were mailed at the cost of $1306.46. We were successful in locating another printer in order for the reduction of the overall cost of this year's newsletter.

I know there is not any particular formula for giving to the Association, or pledging X number of dollars for so many years removed from the University. But it is my sincere hope that every alumnus will give at least $25.00 or more to the Association. If anyone would like to suggest a formula for giving to the Association, please submit it and we will be glad to give it consideration.

Last year, out of 2000 or better alumni, only 134 responded to our needs. My thanks to those who contributed and I am looking forward to your continued support. This year I hope you'll make a personal commitment and give that portion or more that is asked of you.

In the next newsletter, I hope to have your names listed with your personal thanks for your support.

We are in the process of planning our Southern trip and our return trip to England in 1979. Our share of the English visit this summer still has to be met so we are asking that you give as much as you can to help defray our expenses.

Lee Calboun

Awards and Elections

The '77 Gardner Millette Award was presented to Kent Womack at the annual team banquet. Kent was an inspiration to the team with his dedication and positive attitude towards excellence and his winning ways. Kent established new Yale and Heptagonal championship javelin records with a throw of 242'9". He also broke the English meet record, won the Penn Relays college championship, placed second in the I.C.4. A. Championship and ended up eleventh at the N.C.A.A.'s.

At the present time the Millette Award is the only annual track and field award available to the team. It is the opinion of the coaching staff that very often there is more than one deserving athlete at awards time. We would welcome any suggestions anyone might have to rectify this situation.

The team elected Harry Davis '78, captain of track and field for the '77-'78 campaign. Harry has been a consistent winner in the hurdles for three years. He has also helped the team by scoring numerous times in the long jump, dashes, and relays.

As we mentioned in the previous newsletter, Kurt Billetti is the present cross country captain.

Daniel Schlesinger, 1976-77 Track Captain, in action against West Point and Columbia. (Schlesinger will be studying at Oxford in England for the next two years).
