Northeast-10 Announces 2006-2007 Commissioner’s Honor Roll

South Easton, Mass. - The Northeast-10 Conference has announced the members of the 2006-2007 Commissioner’s Honor Roll. The Commissioner’s Honor Roll is determined and submitted by each institution’s Faculty Athletic Representative (FAR). The annual award recognizes student-athletes at each of the league’s 15 institutions for their success in the classroom.

“I congratulate our student-athletes on their accomplishments in the classroom this academic year,” said Northeast-10 Commissioner David Brunk. “The Northeast-10 continues to make strides in academic excellence and I praise these individuals on the success they had this year in successfully balancing their academic responsibilities along with their dedication to Division II athletics.”

The Honor Roll includes a gold, silver and bronze scholar athlete list. Each Gold Scholar finished in the top five percent for grade point average among student-athletes at their institution, respectively. Silver Scholars finished in the top six through ten percent and Bronze Scholars placed among the top 11 through 15 percent.

Sponsoring 23 championship sports and 15 full-time members, the Northeast-10 is the second largest NCAA Division II athletic conference in the nation and sponsors the most championships of any Division II conference.
